

ONLINE SIGN

Artwork Specifications

When supplying digital files you must follow these artwork guidelines, so we can publish them to your Online Sign. Any files submitted that do not meet the criteria may be rejected or require additional artwork time, which can incur further charges.

Upload Online Signs

Create an image that is 800 x 600 pixels and email it to this address - upload@onlinesign.net - include in this email your customer reference number, which you'll receive after payment has been made. Remember: The image can have no animations and if you want external links to operate then you'll be required to supply finished artwork in one of the formats listed below.

Sending Large Files

Files larger than 7Mb will have to be sent via an online file sharing website.

We recommend using DropSend - <http://www.dropsend.com>

or 'YouSendIt' - <http://www.yousendit.com> - simply signup for a free account then send the large file to Online Sign to download - upload@onlinesign.net

For further help on how to signup for an account and send large files

please visit the help sections on your preferred online file sharing website.
